MANAGEMENT AND LEADERSHIP SKILLS

Volunteer-Based Support for Information Technologies

I served as an organizer at the computer science fair held at Bakırçay University, providing volunteer support for the event.

[2024] Role in the Geographic Information Systems Community

Throughout my academic life at Bakırçay University, I was involved in setting up Geographic Information Systems (GIS) stands at university events, providing information, giving presentations, and promoting the subject to visitors.

[2025] Esri Campus Ambassador

As an Esri Türkiye Campus Ambassador, I am involved in promoting GIS technologies at the university level by organizing and supporting events, trainings, and awareness activities, while encouraging the academic use of Esri solutions.

CONFERENCES AND SEMINARS

[2025] Esri Young Scholar Finalist Ankara

I qualified to give a presentation at a poster competition organized by ESRIN with my poster titled “Muğla Province Fire Analysis,” and I went to Ankara to present it.

[2025] GIS Day Antalya

I attended Global GIS Day and explored how GIS technologies are being used across various sectors, along with current trends and future perspectives in spatial analysis.

[2024] GIS Day

I attended Global GIS Day again in 2024 and had the opportunity to support my friends who ranked in the top three of the poster competition. The event provided valuable insights into current applications and future trends of GIS technologies.

[2023] Google DevFast İzmir

Write here the description...I attended Google Dev Fest, where I had the opportunity to meet exceptional professionals and gain valuable insights into software and hardware development.
